Harbor Logistics Site Visit Report

Visit date: 12 August 2026. Prepared by the regional operations team.

The east warehouse recorded 14 open safety items during the inspection.

Loading bay 3 remains closed until the dock leveller is replaced.

Follow-up actions

Facilities lead Anika Rao will confirm the leveller delivery date by 29 August 2026.

The revised maintenance budget of $18,400 is proposed and not yet approved.
